RE: Case 13-E-0030 Con Edison Same-day Electric Service
Reconnections

Dear Secretary Burgess:

As required by Section I(4)(b) of the Joint Proposal adopted by the New York State Public Service Commission in its February 21, 2014 Order in the referenced case, Consolidated Edison Company of New York, Inc. (“Con Edison” or the “Company”) is filing the report of its same-day electric service reconnections for the three-month period ended March 31, 2014.

The report indicates: 1) the number of customers whose service was disconnected for non-payment at the meter and who become eligible for reconnection by 5:00 p.m. Monday-Friday (*e.g.*, by making payment), and 2) the number of same-day reconnections attempts made to such customers. As indicated in the Joint Proposal, the report does not include customers where the meter was removed or service was cut in the street. The report includes program data as of the last day of the quarterly period.

Please contact me if you have any questions about this report.

Very truly yours,
/s/
